MR. RAMESH CHAND M VARMA
Managing Director

From Our Founder

agar, also known as "Kashi", is indeed an education hub in Shekhawati. As a resident of Jhunjhunun district, I understand the educational environment in this area. When I learned about the urgent need for a CBSE school in Bagar & its surrounding area, I felt compelled to contribute something valuable to my community. Providing quality education seemed like the best way to make a difference.

That's why we opened JVP, a school that has been functioning for the past 15 years.

I attribute this achievement to the dedicated management, staff and supportive parents whose children are studying in our school.

Welcome to

JYOTI VIDYA PEETH

It is a matter of great joy and pride for me that you have chosen this institution for your child where a progressive scientifically designed and value based education is imparted. Our aim is to mould today's children into future global leaders & entrepreneurs by infusing them with strong roots of orientalism and spirit of international pragmatism through education. We focus on overall development of personality and creativity. Our school is such a place where children can holistically flourish with joy and happiness.

We believe in providing ample opportunities for students to excel not only in academics but also in sports & co-curricular activities as per expectation of parents. We are also providing excellent hostel facilities for both boys and girls. In the academic year 2025, we have initiated a foundation course for students of grades 6th to 9th. This course is designed to significantly assist students in their preparation for the Olympiad IIT JEE examination. Furthermore, these courses will be continued in subsequent academic sessions. Navodaya Sainik and Military Preparation classes are also conducted here.

With our dedicated efforts and hard work, I am confident and hopeful that we can guide your child towards a bright future.
